GSSA Northern Transvaal Branch – Membership Application (continued on next page)

## MEMBERSHIP FEES

**GSSA National** annually determines the basic branch membership fee, which includes the quarterly journal "Familia". As the Society's official journal it serves members by featuring articles on genealogy, family history and related subjects. Articles comprise original research not previously published elsewhere.

**Each Branch** determines its own annual branch fee.

**NOTE:** Every member is always a member of GSSA national AND of one or more other branches.

A member may subscribe to journals published by other branches without necessarily being a member of those branches – Northern Transvaal remains the home branch. Alternatively, members may enrol via GSSA national; application forms are available on <http://www.egggsa.org> - where they can indicate to which branch they wish to be allocated. GSSA national will forward all the necessary information to the branch(es) concerned. If you fill in this branch form you may ignore the form found in Familia.

**Exception:** Members aged 80 years and older (octogenarians), who have been GSSA members for more than five years, no longer pay membership dues to GSSA National, but only to the branch. They receive complimentary copies of "Familia" on submission of the annual application form.

**2023 Renewal date:**

**01 March 2023**

**2023 Membership lapse date:**

**28 February 2024 (Publication deliveries get stopped hereafter.)**
